Additional Discussions

Appeal Hearing

Before the start of the regular meeting, the Handgun Roster Board held an appeal hearing for the six petitions of the North American Arms, 1860 "The Earl", which were denied at the March 11th HRB Meeting due to an issue with reliability as to safety because the firearm lacked a trigger guard. Administrator provided the Board and petitioner, Alex Sontheimer, a packet containing Exhibits A-I: Request for hearing form with objection reasons; COMAR 29.03.03.10 – Nine criteria for determining a handgun; disapproved firearms list; abridged version of March 11, 2020 and May 20, 2010 minutes; first page of June 10, 2020 and July 29, 2010 minutes; Petition # 19535 – 19540; and Petition # 10028. The petitioner provided a handout of his testimony to the Board. The Board considered the petitioner's arguments and voted 5 to 3 in favor of disapproving all six additions due to the issue of reliability as to safety. Board Member Click, Board Member Mathias, Board Member Shea, Board Member Spaulding, and Major Keyser were the votes in favor and Board Member Maurath, Board Member Laughland, and Board Member Twigg were the dissenting votes.
